

# Retail Pricing Kenya

The Agsol Hammer Mill is available in two formats:

- 1) AC electric (with AC/DC converter)
- 2) DC solar (with charge controller, battery, pack and solar panels).

AC electric mill packages are sold ex-warehouse (Kikuyu). Solar mill packages include delivery and onsite installation.

## Additional Terms & Technical Notes

- Payment terms: 100% prior to dispatch.
- All prices include VAT, where applicable.
- All systems can be PAYGO enabled on request before purchase.
- Buyers may source their own compatible charge controller and battery.
- Buyers may opt to install their own solar system. If the system is not installed by an Agsol-approved installer, the product warranty will not apply.
- Typical solar PV capacity ranges from 600-900W.
- The Solar Package price includes delivery of the product to the installer and installation at the customer's specified location.
- Delivery: Excludes: Lodwar, Lokichogio, Maralal, Garsen, Lamu, Mpeketoni, Mwatate, Moyale, Taveta, and other hardship locations as designated by Fargo Courier.
- All mills include a one-year warranty as standard. A one-year extension may be purchased by contacting Agsol Customer Support.
- Warranty coverage is subject to product registration in accordance with Agsol's registration instructions.
